As the licensee, Consultum collects all advice fees and commissions. Consultum then pays the fees and commissions to my Practice as detailed in the FSG under the heading 'How we are paid'. My Practice pays me out of these fees and commissions based on a number of factors such as:

- **Salary** – based on my experience and qualifications.
- **Bonus** – I may be eligible to receive a bonus, based on a combination of revenue and meeting pre-determined annual performance-based criteria.
- **Profits** – I may be eligible to receive a percentage of profits from the Practice.
- **Commissions** – as outlined in the FSG under 'How we are paid', the Practice may receive commissions from a product provider when implementing certain product/s for you.

Client fee and payment options

Before providing advice, we will agree the fees and payment options with you. The fee you pay will depend on the complexity of your circumstances and the services you require. Your options to pay for our services can include fee for service, commission, or a combination of both.

Fee for service: Fee for service is based on the service we provide. This fee can be determined by:

- An hourly rate.
- A fixed dollar amount.

We can invoice you directly for our fee for service. Alternatively, some products allow an adviser service fee to be deducted from the balance of your investment.

Commissions: Some product providers pay commissions to Consultum. The amount of commissions received will depend upon the type of product and the premium paid.
